

<b>Brazos Valley Flight Services vs local flying club</b>					
<b>Note: All are aircraft are equipped with IFR certified GPS units</b>					
<b>AND undergo 100 hour inspections by a certified aircraft mechanic</b>					
Assume:					
55 flight hours					
6 months to complete					
average club C172 rental			\$ 75.00		
average BVFS C172 rental			\$ 84.00		
flight/ground instruction same rate as flying club					
<b>BVFS:</b>					
flight hours cost	50	times	\$ 84.00	\$ 4,200.00	
flying club	50	times	\$ 75.00	\$ 3,750.00	
club initial fee				\$ 25.00	
monthly dues	6	times	\$ 35.00	\$ 210.00	
total				\$ 3,985.00	
<b>difference</b>				\$ 215.00	
If it takes 12 months (pretty typical with full time college student)					
difference becomes (add in 6 months more dues)				\$ 5.00	
Apply the available BVFS 5% discount, and save an additional					<b>\$ 210.00</b>
